

EASTER AND APRIL AT SOTG . . .

Easter began with a 7:00 a.m. sunrise service in the SOTG courtyard, complete with special music!

The 8:30 and 10:30 services were in the sanctuary with beautiful music of praise and some of our ladies showing off Easter bonnets.

In between services we were able to have our traditional kids' Easter Egg Hunt for the first time since COVID. We even had a visit from the Easter Bunny!

The Sunday after Easter our wonderful Fellowship Committee arranged a brunch to allow time to gather and say farewell to our seasonal friends heading north. Thanks to Maryann Buettner, who made special SOTG aprons for our Fellowship Committee members.
